AND
46 YEARS.

SIX Months have passed since I offered a reward of \$25 for a New Home Sewing Machine that could not be repaired at the New Home office and no one yet has claimed the reward.

We have found one machine made by this company patented in 1850, forty-six years ago, and doing good work.

I NOW OFFER A
\$50 New Home Machine

For one that can't be put in good running order at the New Home office, 309 Henry street, S. W.

CHARGES VERY MODERATE
You say others can offer the same. Why don't they do it?

Don't fail to see our machines before you buy. If you want a cheap machine, in fact the best in the market for the money, give us a call. We have the Cam Motion Machines manufactured by the New Home Company, namely, the Climax—\$10 instalments, \$30 cash; and also the New Ideal, \$30 cash. Five years guarantee given on all machines by the company. The Climax machine is as good as any except the geared New Home.

We have a few second-hand machines to sell or rent. All kinds of machines repaired and parts supplied.
